WARNING: Any alteration, forgery or unauthorized use of this Federal Form is subject to civil penalties of up to \$250,000 (7 U.S.C.s 7734(b)) or punishable by a fine of not more than \$10,000, or imprisonment of not more than 5 years, or both (18 U.S.C.s 1001)

Authorization:

This permit authorizes the interstate movement of *Ipomoea aquatica* seeds (Chinese water spinach) from Hawaii to California for planting and subsequent use as a vegetable for human consumption.

1. A copy of this permit must accompany each shipment.
2. The regulated material must be free of plant pests.
3. This permit cannot be assigned or transferred to other persons.
4. Planting or releasing *Ipomoea aquatica* (Chinese water spinach) into local water bodies is prohibited.
5. The permit holder must maintain a valid permit for as long as the Federal Noxious Weed is in their possession.
6. The permit holder must notify all recipients that all materials must be SOLD/USED only in the STATE listed on this permit, and no Federal Noxious Weeds material may be transported to another STATE without a permit.
7. Material must be shipped in sturdy containers that will prevent the release of the regulated material. The permit holder must instruct the shipper that plant material may not be sold in any STATE not authorized by this permit.
8. The permit holder must:
  - (a) comply with all requirements and permit conditions,
  - (b) notify the permit unit of the receipt of unauthorized organisms,
  - (c) maintain an official permanent work assignment at the address on this permit and
  - (d) notify the permit unit in advance of any change in the permit holder's work assignment.
9. This permit does not authorize movement or use of plant pathogens listed in the Public Health Security and Bioterrorism Preparedness and Response Act of 2002. If any organism listed as a Select Agent is identified from materials associated with this research, the permit holder is required to notify APHIS, Agricultural Select Agent Program (ASAP) immediately by phone at 301-851-3300, and within seven (7) days submit APHIS/CDC Form 4 (Report of Identification of a Select Agent or Toxin in a Clinical or Diagnostic Laboratory) to APHIS, ASAP; 4700 River Rd, Unit 2, Riverdale, MD 20737 (see instructions at: [http://www.aphis.usda.gov/programs/ag\\_selectagent/index.shtml](http://www.aphis.usda.gov/programs/ag_selectagent/index.shtml)). Failure to comply with this requirement is a violation of the Agricultural Bioterrorism Protection Act of 2002.
10. If the permit holder ceases assignment/affiliation at the address identified on this permit, or personnel circumstances change in any way, then a compliance officer must be notified at the PPQ permit unit immediately (that is, within one business day) by either:
  - (a) email to [pest.permits@aphis.usda.gov](mailto:pest.permits@aphis.usda.gov),
  - (b) fax to 301-734-4300 or 8700,
  - (c) mail to USDA, PPQ, Permit Unit, 4700 River Road, Riverdale, MD 20737.

WARNING: Any alteration, forgery or unauthorized use of this Federal Form is subject to civil penalties of up to \$250,000 (7 U.S.C.s 7734(b)) or punishable by a fine of not more than \$10,000, or imprisonment of not more than 5 years, or both (18 U.S.C.s 1001)

11. Any alteration, forgery, unauthorized use of this permit and/or associated Federal Forms are subject to civil and criminal penalties including fines and imprisonment.
12. The permit holder is solely responsible for ensuring compliance with all statutory requirements and specifically listed permit conditions. Failure to comply with the terms and conditions of this permit is cause for the following:
  - (a) cancellation of this permit,
  - (b) cancellation of other permits issued to the permit holder,
  - (c) seizure and/or destruction of regulated organisms,
  - (d) denial of future permit applications by this permit holder,
  - (e) liability for civil penalties,
  - (f) criminal prosecution under provisions in the Plant Protection Act.
13. DROP SHIPPING IS NOT AUTHORIZED UNDER THIS PERMIT:

This permit does not authorize drop shipping. Drop shipping means/involves any shipment of regulated material made to customers from other producers or suppliers. These shipments must originate from your address ONLY. Each shipper must have a permit specifically issued to them authorizing the interstate movement of the specific regulated material to each destination.

**IMPORTANT:**

As a permit holder, your permit does not cover the activities of other shippers. Each permit holder remains responsible for determining if another entity possesses a valid 526 Plant Pest Permit for each regulated material prior to requesting any regulated material be shipped on their behalf.

14. All seed must be planted to produce the vegetable Chinese water spinach. No seed may be sold or given to another person unless that person holds a valid noxious weed permit from this office.
